Event Title/Name: *National Sports Day- 2025*

Theme: *Ek ghanta khel ke maidaan mein!!*

Date of the Event Held: 29th- 31st August 2025

Organized by (Name of the Department/Cell): Sports Committee, BCIHMCT

Organized Event is at Institutional Level/Departmental Level (Specify): Institute Level

Organized Event is as per Activity/Academic Calendar (Specify): Activity

Background

National Sports Day is observed every year on 29th August to honour the birth anniversary of Major Dhyan Chand, widely celebrated as the Wizard of Hockey. Following the circular issued by Guru Gobind Singh Indraprastha University (GGSIPU) and in alignment with the Fit India Movement, BCIHMCT celebrated National Sports Day 2025 from 29th to 31st August 2025. This three-day event was originally designed to include both indoor and outdoor games, fitness activities, and awareness programs. However, due to persistent rainfall during the period, outdoor games and athletic events could not be organised. To ensure that the allocated time was effectively utilised, the Institute redesigned the program to focus more on indoor fitness challenges, recreational fun activities, and indoor sports competitions. This adjustment not only safeguarded the spirit of the day but also encouraged innovative ways of engaging students and staff in physical activities.

Day 1 – 29th August 2025 (Tribute & Fitness Activities)

The first day of the celebration commenced with a solemn tribute to Major Dhyan Chand, followed by the administration of the Fit India Pledge

I take the pledge: To make myself physically fit mentally strong, and emotionally balanced. I will encourage my family and friends to play and participate in sports and

fitness activities every day. I will strive to imbibe the Olympic values of excellence, respect, and friendship in every sport I play.

The atmosphere was filled with enthusiasm as students and staff collectively resolved to integrate fitness and sports into their daily lives. Following the tribute, a faculty member delivered an insightful talk on the importance of sports and fitness in promoting holistic well-being and discipline among youth. Since the planned outdoor races and athletics could not be conducted due to rain, the time was utilised for conducting a series of indoor fitness challenges. Students participated in push-up challenges, plank holding contests, and yoga posture demonstrations. These activities generated immense excitement and tested the strength, balance, and endurance of participants. More than 50 students took part actively, demonstrating that fitness activities can be just as engaging indoors as they are outdoors.

Day 2 – 30th August 2025 (Debate, Indoor Games & Fun Activities)

The second day began with an engaging debate on the topic: 'Are e-sports the future of sports?'. Students put forth their perspectives passionately, with arguments ranging from the growing popularity of online gaming to the importance of physical activity in traditional sports. The debate highlighted the evolving nature of sports in the modern era. Following the debate, attention turned to indoor team games. Competitions in Carrom, Chess Blitz, and Table Tennis were organised, where students competed in a knockout format under the banners of four teams named after sporting icons – Dhyan Chand, PT Usha, Mary Kom, and Neeraj Chopra. The indoor sports witnessed enthusiastic participation and lively support from peers. To keep the momentum high, fun recreational activities such as a sports quiz, balloon balance relay, and quick team-building challenges were also conducted. These fun events ensured that even those not competing in the indoor games remained actively engaged and entertained.

Day 3 – 31st August 2025 (Finals, Fitness Session & Closing Ceremony)

The third and final day of the celebration featured the much-awaited finals of Chess, Carrom, and Table Tennis. The matches were closely contested, reflecting the dedication and sportsmanship of the students. In order to maintain the collective energy of the participants, a group Zumba and Aerobics session was organised immediately after the finals. The session witnessed wholehearted participation from students, faculty, and staff, filling the indoor hall with vibrant energy. The celebration concluded with a formal closing ceremony, where the overall results were announced and the Major Dhyan Chand Trophy was awarded to Team Mary Kom, which had secured the highest medal tally. The closing remarks emphasised the significance of sports as a unifying force and applauded the adaptability shown by the participants in embracing indoor activities despite the rainy weather.

Participation

The event saw the participation of nearly 120 individuals, including students, faculty, and staff. Participants were divided into four balanced teams named after renowned Indian sportspersons – Dhyan Chand, PT Usha, Mary Kom, and Neeraj Chopra. Each team was

inclusive, ensuring gender equity and representation from different academic years. The enthusiasm and involvement of the participants reflected the collective commitment of the institute towards physical fitness and sportsmanship.

Outcomes and Impact

The celebration of National Sports Day 2025 at BCIHMCT, despite the challenges posed by continuous rainfall, was an immense success. By replacing outdoor activities with indoor fitness and fun alternatives, the event preserved the essence of the occasion while fostering adaptability and innovation. Students not only improved their physical fitness but also enhanced their leadership, teamwork, and communication skills through debates, competitions, and recreational tasks. The event inspired students to adopt healthy lifestyle practices and demonstrated that the spirit of sports transcends environmental limitations.

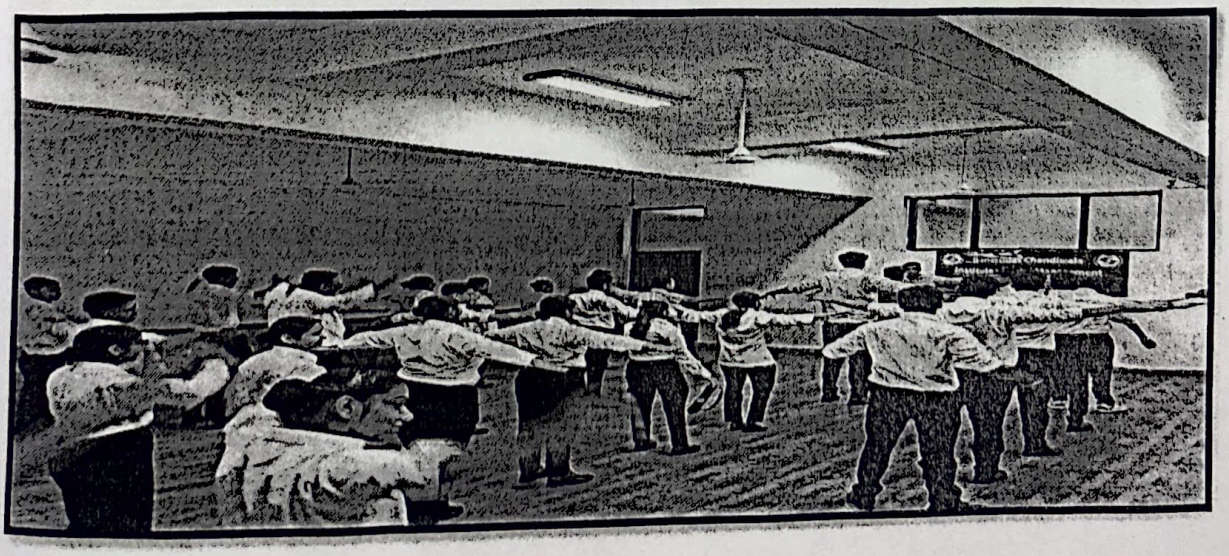

Documentation and Compliance

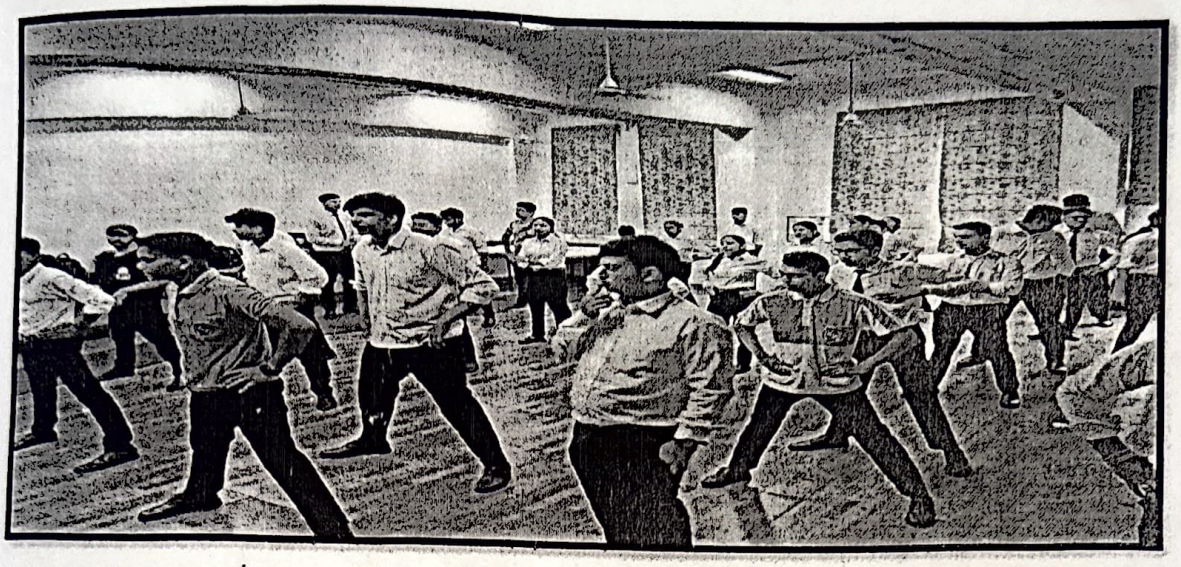

The event was conducted in compliance with the GGSIPU circular and guidelines for National Sports Day 2025. All necessary records, including attendance sheets, photographs, debate transcripts, scorecards, were maintained. The celebrations were widely promoted through posters, social media updates, and the official hashtags #KhelegaDeshKhilegaDesh and #NSD2025.

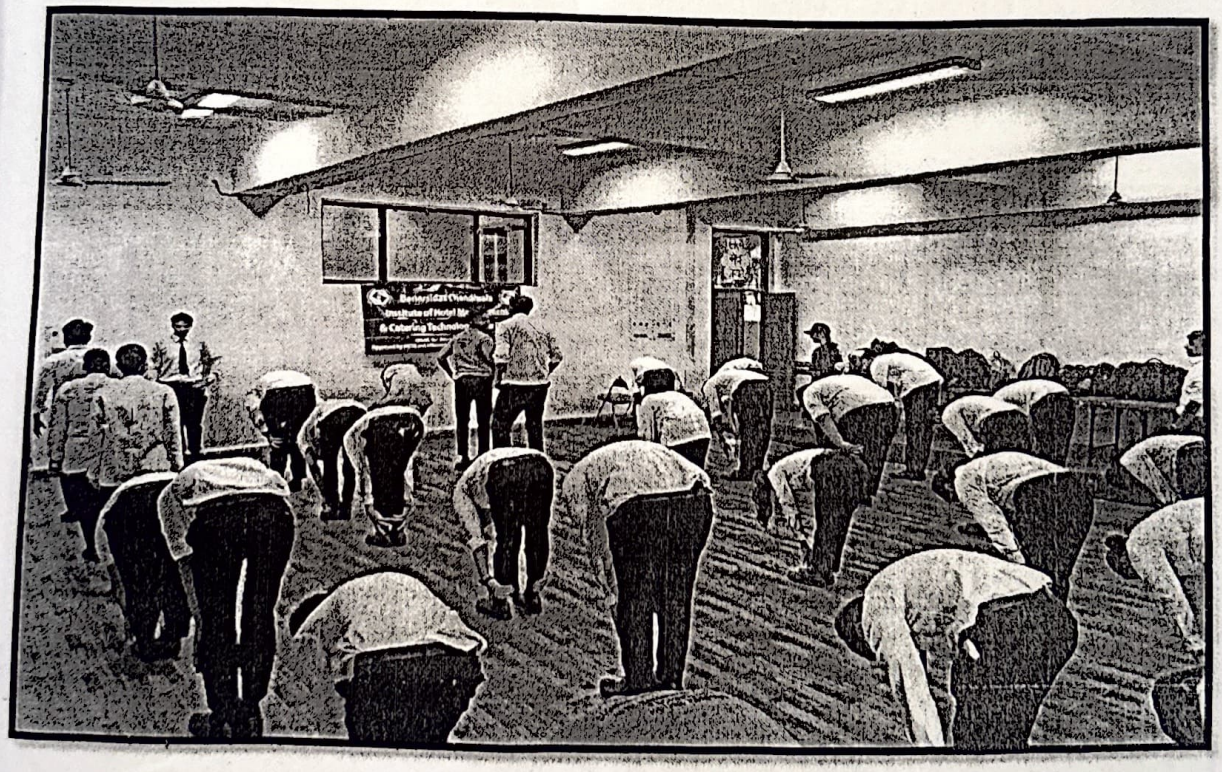

Conclusion

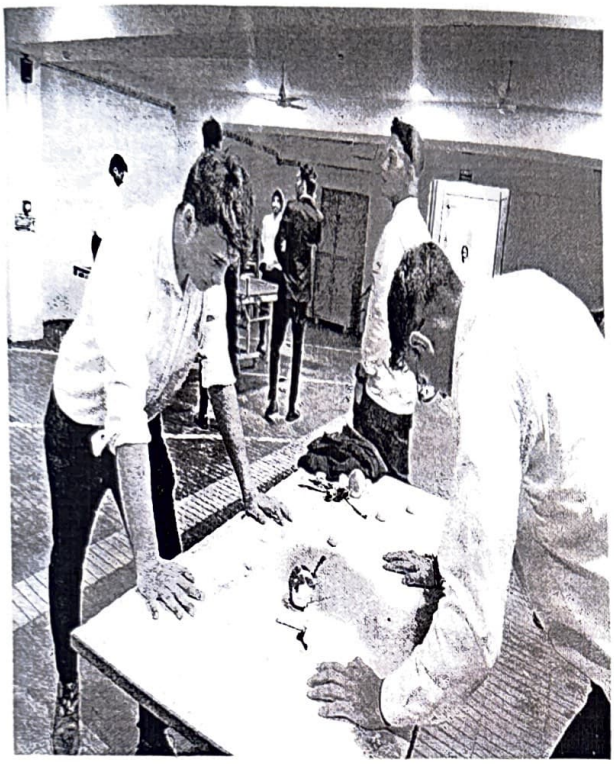

The National Sports Day 2025 celebrations at BCIHMCT were a testimony to the institution's commitment towards sports and fitness. Although outdoor activities could not be organised due to rain, the time was creatively utilised to conduct indoor fitness challenges, fun activities, and sports tournaments. The event achieved its objective of honouring Major Dhyan Chand, promoting fitness, and instilling the values of sportsmanship, inclusiveness, and teamwork among the participants.
